

VIRTUALLY GOLF
FOOTBALL SIMULATORS

WHAT IS SKILL DRILLS?

You'll get a kick out of this one!

Thanks to advanced object-tracking technology from Foresight Sports, used at Virtually Golf, we're able to deliver not only true-to-life golf simulation but also an exciting range of multisport game experiences.

For the first time ever, players can step into a realistic football environment and experience penalty kicks, corner kicks, passing, and free kicks, all brought to life with unmatched accuracy in football simulators. With critical performance data like ball speed, launch angle, side spin, and more, Virtually Golf helps players refine their skills and develop their game off the field as well as on it.

Then we get down to more football fun? Our Carnival games, a playful twist with mini-games inspired by childhood classics, from skee ball and darts to bowling all included with Skill Drill technology.

OUR GAMES PENALTIES

Step up to the spot and put shooting accuracy to the test, rack up points for top bins, nail the crossbar challenge, and compete for bragging rights in a fun, high-pressure shootout.
